

Weight Management

SLIM PLUS CAPSULES

Item No.: 5449120

Glucosamin is a dietary fibre derived from konjac root and helps with weight management as part of a low-calorie diet.
Glucosamin + chromium ideally support your diet, providing 3g glucosamin per daily serving.
Chromium helps to maintain healthy blood sugar Levels and to a healthy metabolism of macronutrients.

Have you already tried our meal replacement shake ...

... in delicious vanilla and raspberry & passion fruit flavours?

The meal replacement High Protein 60 developed by Biohealth is a tasty meal replacement with a high protein content of 26g per serving. Used to replace your main meal, it supports a weight management diet. The high protein content helps build and maintain muscle mass.
